

EU Declaration of Conformity

RoHS Certificate of Compliance

We, Arun Microelectronics Ltd., hereby certify and declare under our sole responsibility that the equipment mentioned below is in conformity with:

- The Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances (RoHS) in electrical and electronic equipment.
- Commission Delegated Directive (EU) 2015/863 of 31 March 2015 amending Annex II to Directive 2011/65/EU of the European Parliament and of the Council as regards the list of restricted substances.

Product CRIMP SOCKET; For Use With MLF18 Connectors; Contact Gender:Socket; Wire Size 24AWG; Contact Termination:Crimp; Contact Material:Copper; Contact Plating:Gold;

Part Numbers MLF18SKT

Signature

Mr. P Brooker, Managing Director

Date of issue 19th September 2016

RoHS compliant means that:

- Our products are (from the date of this certificate) manufactured using compliant materials, components and processes.
- Our suppliers have confirmed the compliance status of materials supplied and processes used.
- We have implemented processes to confirm and document this.

Confirmation of compliance status by our suppliers is either because the products do not contain any of the restricted substances referred to in Annex II of the RoHS Directive, at concentrations in excess of those permitted under the Directive or because removal of the restricted substances is not technically possible and their existence in the products at levels in excess of these concentrations is allowed as one of the particular applications listed in the Annex to the RoHS Directive.

For these purposes, the maximum concentration values of the restricted substances by weight in homogenous materials are:

| Substance | Concentration |
|---------------------------------------|---------------|
| Lead | 0.1% |
| Mercury | 0.1% |
| Cadmium | 0.01% |
| Hexavalent Chromium | 0.1% |
| Polybrominated biphenyls (PBB) | 0.1% |
| Polybrominated diphenyl ethers (PBDE) | 0.1% |
| Bis(2-ethylhexyl) phthalate (DEHP) | 0.1% |
| Butyl benzyl phthalate (BBP) | 0.1% |
| Dibutyl phthalate (DBP) | 0.1% |
| Diisobutyl phthalate (DIBP) | 0.1% |

Arun Microelectronics Ltd has taken reasonable steps to assess suppliers' statements regarding the absence of the restricted substances.
